

# City of Encinitas

## COMPREHENSIVE GENERAL PLAN UPDATE PHOTO PROJECT PROGRAM

### RELEASE FORM

Encinitas residents are being asked to participate in a photo project program to help kick-off the visioning process for the Comprehensive General Plan Update. Collected materials are intended to facilitate a process to form goals and objectives for the community; however, images may also be used throughout the General Plan Update process, such as document preparation.

I grant to the City of Encinitas, its representatives and employees the right to use photographs that I have submitted in connection with the above-identified subject. I also authorize the City of Encinitas to use and publish the same in print and electronic or video format.

I understand that efforts will be made by the City to provide credit to and cite the source and the photographer. However, the City of Encinitas has the permission to use such photographs with or without my name and for any lawful purpose, including such purposes as project advertising, newsletters and online content. Images may also be used to start a photographic archive for future generations.

The City will take cautionary steps to provide minimum identifying information. Therefore, photos should be on general scenes and public places throughout the community. Images will not be used if the focus of the image is of an individual or contains identifying information, like a mailing address or license plate.

I understand that I am free to address any specific questions regarding this release by submitting those questions in writing prior to signing, and I agree that my failure to do so will be interpreted as a free and knowledgeable acceptance of the terms of this release.

I have read and understand the above:
