## PUBLIC HEALTH AND YOU!

*The City received grant funding to develop a Public Health Element in support of the General Plan Update. When you think of public health, what do you think about? Do you think about transportation; parks and open space; community facilities and services; access to goods and foods; and/or air and water environments? Let us know what public health means to you - and help shape a healthier Encinitas!*

**Monday, July 18, 2011 from 6:00 pm - 8:30 pm**  
**Community and Senior Center**  
**(1140 Oakcrest Drive)**

### **PUBLIC HEALTH ELEMENT WORKSHOP**

in support of the General Plan Update  
to help identify and address key health-related issues

# Monday, July 18th
