encinitas

CITY OF ENCINITAS GENERAL PLAN

2035

INTRODUCTION

I. Background and Setting	I-2
Regional Context	I-3
A Brief History	I-4
Encinitas' Five Communities	I-5
II. Vision Framework	I-7
III. Overview of the General Plan	I-9
Role of the Plan	I-9
Plan Development Process	I-10
The General Plan Elements	I-14
Policy Imperatives and Strategic Directions	I-17
IV. Figures	I-19
Figure I-1: Regional Context	I-21
Figure I-2: Planning Area and City Boundaries	I-23
Figure I-3: Coastal Zone Area	I-25

LAND USE AND COMMUNITY DESIGN

I. Introduction	LU-2
Element Purpose	LU-2
Element Scope and Organization	LU-3
Related General Plan Goals and Policies	LU-5
Related Plans and Programs	LU-6
II. Current Conditions	LU-9
Existing Land Use	LU-10
Community Design	LU-12
III. Goals and Policies	LU-21
Balanced and Compatible Land Use	LU-22
Economic Vitality	LU-35
Sustainably Managed Growth	LU-42
Context-Sensitive Community Design	LU-47
IV. Citywide Land Use Plan	LU-63
Land Use Designations and Standards	LU-64
Preserved Communities	LU-83
Land Use Focus Areas	LU-98
Areas for Physical Improvement	LU-107

LAND USE AND COMMUNITY DESIGN (continued)

V. Figures LU-115

Figure LU-1: General Plan Land Use Designations LU-117

Figure LU-2: Specific Plan Areas LU-119

Figure LU-3: Visual Resources Sensitivity LU-121

Figure LU-4: Special Study Overlay LU-123

Figure LU-5: Land Use Policy: Cardiff-by-the-Sea LU-125

Figure LU-6: Land Use Policy: Leucadia LU-127

Figure LU-7: Land Use Policy: New Encinitas LU-129

Figure LU-8: Land Use Policy: Old Encinitas LU-131

Figure LU-9: Land Use Policy: Olivenhain LU-133

Figure LU-10: Land Use Focus Areas LU-135

Figure LU-11: Land Use Focus Area Strategy Framework LU-137

Tables

Table LU-1: Element Relationship Matrix LU-5

Table LU-2: Residential Land Use Designations and Zoning Districts LU-66

Table LU-3: Commercial, Mixed-Use, Business and Industry Land
Use Designations and Zoning districts LU-69

Table LU-4: Public and Community Land Use Designations and Zoning Districts LU-71

Table LU-5: Land Use Overlay Designations and Zoning Districts LU-80

Table LU-6: Citywide and Sphere Land Use Distribution LU-81

Table LU-7: Encinitas Ranch Specific Plan Land Use Distribution LU-82

Table LU-8: Distribution of Land Use: Cardiff-by-the-Sea LU-86

Table LU-9: Distribution of Land Use: Leucadia LU-89

Table LU-10: Distribution of Land Use: New Encinitas LU-91

Table LU-11: Distribution of Land Use: Old Encinitas LU-94

Table LU-12: Distribution of Land Use: Olivenhain and Sphere LU-97

Exhibits

HOUSING

I. Introduction H-1

Purpose of the Housing Element H-1

Scope and Organization H-1

Community Context H-2

Data Sources and Methodology H-3

General Plan Consistency and Related Goals and Policies	H-3
Public Participation	H-4
II. Goals and Policies	H-8
Foster Residential Development to Address Future Needs	H-8
Enhance Fair Housing Opportunities	H-9
Ensure the Quality of Housing and Protect Neighborhoods	H-10
Encourage New Affordable Housing Development and Protect Restricted Units	H-11
III. Implementation Plan	H-12
Zoning and Land Use Opportunities	H-12
Affordable Housing Opportunities	H-17
Housing for Special Needs Groups	H-18
Homeownership and Rental Assistance	H-21
Maintenance and Preservation	H-23
Fair Housing	H-24
IV. Needs Assessment	H-26
Population Characteristics	H-26
Employment Market	H-29
Household Characteristics	H-34
Housing Problems	H-39
Special Needs Groups	H-42
Housing Stock Characteristics	H-54
Affordable Housing	H-66
V. Constraints to the Provision of Housing	H-68
Market Constraints	H-68
Governmental Constraints	H-71
Environmental and Infrastructure Constraints	H-103
VI. Housing Resources	H-109
Residential Sites Inventory	H-109
Regional Housing Needs Allocation	H-114
Adequacy of Sites for RHNA	H-117
Availability of Infrastructure and Services	H-118
Financial Resources	H-119
Administrative Capacity	H-120
Opportunities for Energy Conservation	H-121
VII. Evaluation of the Adopted Housing Element	H-122
Evaluation of Progress towards Meeting Coastal Zone Requirements	H-122
Evaluation of Adopted Housing Element Goals and Programs	H-123

HOUSING (continued)

VIII. Figures

Figure H-1: Actual and Projected Population Changes (2000–2030) H-26

Figure H-2: Age Distribution Comparison (2010) H-27

Figure H-3: Ethnicity Distribution (2010) H-28

Figure H-4: Poverty Status by Race/Ethnicity, San Diego Region (2000) H-29

Figure H-5: Travel Time to Work in Minutes (2000). H-34

Figure H-6: Projected Change in Number of Households (2000-2010) H-35

Figure H-7: Household Income (2005-2009) H-37

Figure H-8: Percent of Residents Enrolled in School H-54

Figure H-9: Type of Housing Unit (2010) H-55

Figure H-10: Year Housing Built H-59

Figure H-11: Median Home Sale Prices, North County Coastal Cities (2011) H-60

CIRCULATION

I. Introduction C-2
 Element Purpose C-2
 Element Scope and Organization C-4
 Related General Plan Goals and Policies..... C-5
 Related Plans and Programs..... C-6

II. Current Conditions C-9
 Streets and Highways C-10
 Walking..... C-12
 Bicycling..... C-14
 Public Transportation..... C-15
 Transportation Demand and System Management C-16
 Transportation Mobility Patterns C-17

III. Goals and Policies C-18
 A Place-Based Street Environment C-19
 An Environment for Walking and Bicycling..... C-27
 A Robust Transit Network C-32
 A Complete and Balanced System C-35
 Optimally Managed Streets and Freeways C-41
 Effective Transportation Demand Management..... C-45

IV. Citywide Circulation Plan C-50
 Place-Based Approach C-50
 Place-Based Classification System..... C-51

V. Figures C-57
 Figure C-1: Circulation Plan C-59

RESOURCE MANAGEMENT

I. Introduction	RM-2
Element Purpose	RM-2
Element Scope and Organization	RM-4
Related General Plan Goals and Policies	RM-5
Related Plans and Programs	RM-6
II. Current Conditions	RM-12
Agriculture	RM-13
Water Quality and Use	RM-13
Encinitas' Natural Communities	RM-15
Coastal Areas	RM-16
Energy Use and Greenhouse Gas Emissions	RM-17
Regional Air Quality	RM-18
Cultural Resources	RM-19
III. Goals and Policies	RM-20
Agriculture	RM-21
Surface and Ocean Water Quality Protection and Improvement	RM-26
Habitat and Ecosystem Management	RM-30
Urban Tree Management	RM-43
Preservation of Coastal Areas	RM-46
Water Use and Conservation	RM-51
Energy Efficiency and Conservation	RM-54
Waste Management	RM-57
Climate Change Mitigation and Adaptation	RM-60
Air Quality	RM-63
Preservation of Cultural/Historic Resources	RM-65
IV. Figures	RM-67
Figure RM-1: Natural Resource Sensitivity	RM-69
Figure RM-2: Cultural Resource Sensitivity	RM-71
Tables	
Table RM-1: Element Relationship Matrix	RM-5
Table RM-2: Energy Use and Greenhouse Gas Emissions by Source	RM-17

PARKS, RECREATION AND PUBLIC FACILITIES

I. Introduction PR-2

 Element Purpose PR-2

 Element Scope and Organization PR-4

 Related General Plan Goals and Policies. PR-5

 Related Plans and Programs. PR-6

II. Current Conditions PR-9

 Existing Parks, Beaches, Open Space and Facilities. PR-10

 Other Public Facilities PR-12

III. Goals and Policies PR-14

 Parks, Open Space and Trails Network PR-15

 Balance of Natural and Improved Open Space PR-21

 Coastal Recreation. PR-23

 Recreation and Community Facilities and Programs PR-28

 The Arts PR-32

 Funding and Acquisition PR-34

IV. Citywide Recreation Plan PR-37

 Parks Classification and Standards. PR-38

 Standards for Site Selection, Development, Improvement and Maintenance. PR-42

 Future Recreation Facilities. PR-46

V. Figures PR-49

 Figure PR-1: Parks and Recreation Facilities PR-51

PUBLIC SAFETY

I. Introduction	PS-2
Element Purpose	PS-2
Element Scope and Organization	PS-3
Related General Plan Goals and Policies	PS-5
Related Plans and Programs	PS-6
II. Current Conditions	PS-10
Fire, Law Enforcement, Marine Safety and Emergency Services	PS-11
Geologic Hazards	PS-13
Flood Hazards	PS-17
Fires	PS-17
Hazardous Materials	PS-18
Sea Level Rise and Coastal Erosion	PS-18
III. Goals and Policies	PS-20
Fire, Law Enforcement, Marine Safety and Emergency Services	PS-21
Seismic Safety	PS-26
Flooding and Sea Level Rise	PS-30
Wildland Fires	PS-35
Bluff and Slope Stability	PS-37
Hazardous Materials	PS-43
Climate Change-Related Hazards	PS-46
IV. Figures	PS-49
Figure PS-1: Areas Susceptible to Geologic Hazards	PS-51
Figure PS-2: Flood and Inundation Areas	PS-53
